## Jesus is the Reason for the Season—December!

### Message from the Principal

Dear Parents/Guardians,

As we begin the month of December, we can't help but think of others as it is truly a time of giving. At Holy Trinity, we continue to look for ways to help the needy. We begin Advent with this in mind as we encourage all of our students to bring in non-perishable food items. We hope to collect as many canned goods for the poor as possible this Christmas season. Encourage your child to give during Advent. We also continue to try to raise money to build a well in Haiti. All donations towards this very worthy cause are appreciated by our Social Justice League. Help our students make a difference in our greater community.

Many things continue to go on this month as we begin to prepare

for the gr. 9 EQAO math assessment which will take place in January. Our music dept. is gearing up for their annual Christmas Music concert. We would like to extend a special invitation to all of our parents to witness this most wonderful music concert on December 15th at 7:00 p.m.

The staff would like to wish everyone a very holy Christmas. Enjoy the real reason for the season. Jesus is with us all during this blessed time... reach out and help your neighbor! Make it a real Christmas by making a difference

## The Sports Corner—Take it to another level!

The Athletic Department would like to congratulate all of our fall sport teams for their great seasons. We start December and roll into the winter sport season with the following teams: girls volleyball, girls hockey, boys basketball, boys hockey, and curling. We expect big things from these teams and in fact the senior boys basketball team has already won their first tournament of the season on November 19<sup>th</sup>! The boys won all three games and brought home the hardware from the Renfrew Roundball Tournament

As a reminder, the weight room is now open and ready to

go. All secondary students are welcomed to join. See Mr. Poirier for membership papers. A \$20.00 fee allows students the use of the room for the entire year.

We would also like to encourage students to join our Athletic Council. It's a great way to get involved and help organize some important sporting events.
